

## Corporate Team Challenge

---

The Anti-Cruelty Society invites you to join the *Bark in the Park 16* Corporate Challenge in our effort to help raise funds and awareness for our life-saving work. The Anti-Cruelty Society is Chicago's comprehensive, open-door humane society and SPCA of Illinois helping animals through programs and services which include: adoptions, low or no-cost spay/neuter surgeries, cruelty investigation and rescue, dog training classes, a free behavior hotline, humane education/community outreach, charity veterinary clinic, the Bruckner Rehabilitation & Treatment Center and the Virginia Butts Berger Cat Clinic, pet visitation programs to the sick and elderly and open door for **any** animal in need 365 days a year. This year we are **celebrating 111 years** of saving lives and helping animals every day.

By joining us through the corporate team challenge, you will be helping the community and promoting teamwork and camaraderie within your organization!

### How It Works

- Select a team captain.
- Submit a registration with a team (minimum 5) individuals who will participate in the event.
- All employees are eligible to walk and can walk with or without a dog.
- All funds raised by the team, including any matching contributions, will count towards the company total.
- The company that raises the most funds will receive a team trophy, a photo on stage at the event and bragging rights and the knowledge that you are helping save lives!
- Company name and logo will be displayed on the *Bark in the Park 16* web site as a participant.
- All participating companies will be highlighted in our quarterly newsletter which reaches over 50,000 Anti-Cruelty Society supporters.

### Cost/ Registration

- A registration fee of \$25 per person applies.
- Visit our website, [www.barkinthepark.org](http://www.barkinthepark.org) and follow the instructions to register.
- **Enter the company name when prompted.**
- After registering the team, each team member is required to create their own pledge web page (or download a paper version through the website).
- Team captains can request the addition of their company's name as a drop-down selection option to make it easier for all team members to be properly linked.
